# DEDICATION

It is with gratitude that we, the staff of the 1983 Echo, dedicate this book to Mrs. Helen Fitzgerald, advisor and friend to the Class of '83.

As freshmen the Class of '83 had no advisor until "Mrs. Fitz" willingly stepped in. Since then she's been their driving force and their saving grace.

Her flare for getting things done was an enormous help during their Junior year. It is quite certain that without "Mrs. Fitz", their Prom, "Forever Spring", would not have been the success it was.

Although the Senior year began with a stumble, Mrs. Fitzgerald was able to get the class back on their feet in no time. With all financial problems well out of the way, this lucky class was able to concentrate on the much enjoyable planning of Senior Week activities.

Once more, we'd like to thank Mrs. Fitzgerald for all her time and effort, not only spent on this years' Seniors, but also the entire student body. From those of us who are leaving, we'll miss you "Mrs. Fitz".

## ADMINISTRATION

Not all schools are lucky enough to have the understanding and supportive administration that we have here at Holbrook High in Mr. Buckley and Mr. Mahanor.

With budget cuts, negative publicity, and an increasingly apathetic feeling in the community, these past few years have been particularly trying for all of us. These two men, however, have continually stood by both the faculty and the students. Let us take this time to thank them for all their hard work and to wish them continued success.

How could we have made it through the endless sea of paperwork and record keeping without these two energetic ladies? Thank you for all the time you have given us and for your continued availability.

# HOMECOMING 1982

October 23, 1982 was designated Homecoming Day. This day has traditionally been a day for Holbrook High School alumni to return and to watch the Bulldogs play football. This is an ideal opportunity for them to see old friends and renew acquaintances. As part of this years' festivities the band and the cheerleaders joined forces to perform a special pre-game show.

Perhaps the most exciting part of the celebration, however, was the selection of the Homecoming Queen. The Senior class elected six of its own most deserving young women who exemplify the ideals of Holbrook High. The Queen was finally selected by a special committee formed by the President of the Booster Club.

This years' Queen was Kim Wright, and her princesses were Donna Colado, Cheryl Eastman, Laura Hartsgrove, Flo Lemieux, and Chris MacWilliams. Congratulations Ladies!

## SUMNER SCHOOL 1872-1982

What was the Sumner School? It was a good time with good friends to share it with. It was a lot of laughs and a lot of pieces of our lives that were left behind. This page of the yearbook is dedicated to our prehigh school memories. The Sumner School built a foundation for many friendships. Even though the school is gone, the friendships still remain. The Sumner School helped us grow up. It was as much a part of us then as the High School is now.

We were fortunate enough to have been a part of the many memories that will be remembered. The Sumner School may be gone forever, yet we will always be grateful for the years that were well spent there. When the Sumner School was torn down, it was as if a part of our adolescent years were also taken away, and only the memories still stand. Even if they stand alone, they will remain to stand strong as long as we have love in our hearts for the good ol' days.
